

## Butterflies Girls Mentoring Program

### About the Program

The Guste Homes Girls Mentoring Program is for girls ages 8 to 12 years that reside in the Guste Homes Housing Development and community. This program is designed to help young girls develop into strong, healthy, sophisticated, goal-oriented young women of the future. Our mentorship program is a six-week program and is held the months of June-August annually. Sessions are from Monday-Friday from 9 am – 1 pm at the Butterflies Girls Home located at 103 Neil Ave, New Orleans, LA 70114. The Guste Homes RMC in conjunction with the Sisters of Wealth, Inc. partner together to mentor the girls through one-on-one and group style mentoring sessions helping them develop into the precious jewels they are.

We will accomplish this through curriculum designed sessions such as:

- ✚ Financial Planning
- ✚ Entrepreneurship
- ✚ Vision Casting
- ✚ Self Esteem & Self Respect
- ✚ Social Etiquette and Communication
- ✚ Relationships and Boys
- ✚ Dressing for Success
- ✚ Coding
- ✚ And much more

Although we're discussing some serious topics, "I'm a Butterfly" like to have fun with it so that our teenagers can relate, be open, and have a more enjoyable experience. We will create a fun-filled, nurturing, sisterhood environment.

### 'Benefits of "I'm A Butterfly"'

- ✚ The Girls develop lifelong skills for a better future
- ✚ Share life's experiences
